

## Millennium PhD (MMPP) Course Sequence

MMPP students will be enrolled by the GSBS office in most courses. Courses marked self-enroll, require students to self-enroll using the online registration system.

Please note BBS courses are for those students in the Basic Biomedical Sciences track, CTS courses are for those students in the Population Health Sciences track and GBS courses are for both tracks.

Year	Semester	Course	Self-enroll	Credits
1	Fall	BBS or CTS 870 – Prequalifying Research	✓	9
1	Fall	GBS 601 – Responsible Conduct of Research, Part 1 OR Participation in the RCR series offered to post-doctoral scholars*	✓	½
1	Spring	BBS or CTS 870 – Prequalifying Research		9
1	Fall	BBS 860 Qualifying Exam		1
1	Spring	CTS 860A – Written Qualifying Exam		1
1	Summer	BBS or CTS 870 – Prequalifying Research (if have not passed QE, yet)		9
1	Summer	BBS 900 – Thesis Research (If passed QE)		12
1	Summer	CTS 860B – Oral Qualifying Exam		1
2	Fall	GBS 602 – Responsible Conduct of Research, Part 2 OR Participation in the RCR series offered to post-doctoral scholars*	✓	1
2	Fall	BBS or CTS 865 – TRAC Meeting		1
2	Fall	BBS or CTS 900 – Thesis Research		12
2	Spring	BBS or CTS 865 – TRAC Meeting		1
2	Spring	BBS or CTS 900 – Thesis Research		12
2	Summer	BBS or CTS 900 – Thesis Research		12
3	Fall	BBS or CTS 865 – TRAC Meeting		1
3	Fall	BBS or CTS 900 – Thesis Research		12
3	Spring	BBS or CTS 865 – TRAC Meeting		1
3	Spring	BBS or CTS 900 – Thesis Research		12
3	Summer	BBS or CTS 900 – Thesis Research		12
4	Fall	BBS or CTS 865 – TRAC Meeting		1
4	Fall	BBS or CTS 990 – Graduate Research		0

Year	Semester	Course	Self-enroll	Credits
4	Spring	BBS or CTS 865 – TRAC Meeting		1
4	Spring	BBS or CTS 990 – Graduate Research		0
4	Summer	BBS or CTS 990 – Graduate Research		0

\* Responsible Conduct of Research (RCR) is a requirement of the MMPP Program this can be fulfilled by completing the formal GSBS Courses (GBS 601 and GBS 602) or Participation in the RCR series offered to post-doctoral scholars
