# FORM GSBS32: REQUEST FOR PARENTAL ACCOMMODATION

Students appointed as GR100 and GR102 will be offered eight weeks of reduced expectation for new parents (by birth or adoption) during which time the student remains continuously enrolled with a minimum of nine credits and continues to receive stipend and benefit coverage. The advisor or Department paying the stipend remains responsible for the stipend during family accommodation time. The timing of family accommodation can be consecutive or nonconsecutive.

Students are expected to continue limited participation in research related activities such as reading or attending remote meetings, as agreed upon with the research advisor in advance.

After eight weeks, the student will return to full-time student responsibilities or will initiate a Leave of Absence.

Family Accommodation may not be used to extend enrollment in the time periods post-PhD defense or post-transition to the MS completion pathway.
