Job Hunting in the Biotech Industry

Bill Lindstaedt, M.S.

Director, Office of Career
and Professional
Development at UCSF

Bill Lindstaedt has been helping scientists and engineers make career decisions for over twenty years. His specialty is working with life and health scientists as they transition from academic positions to careers in biotech and other non-academic settings.

Mr. Lindstaedt is the Director of the Office of Career and Professional Development at the University of California, San Francisco (UCSF).

Bill is a co-author of *ScienceCareers'* "myIDP" career development tool for scientists, and has been featured in career-related pieces for the *Boston Globe*, the *New York Times*, *Science* and *Nature*.
