Senior Editor, Nature

Angela Eggleston, Ph.D., is Senior Editor at Nature Magazine. She has nearly fifteen years experience as an Editor in the *Cell* and *Nature* families of journals. Come to listen, learn and ask questions about her career path and experiences!

Dr. Eggleston received her doctorate at Northwestern University Medical School and was a postdoc at the Imperial Cancer Research Fund in the U.K. and at Children's Hospital, Boston, prior to starting her career in scientific publishing in 1999.

**Thursday, January 16, 2014
1 to 2 p.m. - Q & A to follow
Hiatt Auditorium, S1-608**

Refreshments will be served
